What is MULTIPANEL?

MULTIPANEL manufactures a revolutionary, high-density, polyurethane composite building panel, ideal for waterproofing bathrooms and wet areas as it is lightweight, 100% waterproof, highly versatile and replaces the need for a liquid membrane.

This innovative product is currently the most technologically advanced construction panel on the global market. It is a significantly superior alternate to traditional building materials.

PRODUCT ADVANTAGES

- / Lightweight
- / 100% waterproof
- / Eco-Friendly
- / Labour Saving
- / Insulating

MULTIPANEL CUSTOM BASES

Working example. Detail included in the drawing.

For best practice MULTIPANEL recommend the minimum measurement off any wall is required to be 200mm.

To comply with a minimum of a 1:80 fall. The maximum distance we can fall from any wall to the waste outlet is 1400mm

- Allow a minimum of 5 business days for the custom kit to arrive in store.
- Make sure all measurements are correct as NO responsibility will be taken for incorrect sizing of the bases if they are made to the specifications provided on this form.
- The MULTIPANEL custom shower base kit is strictly subject to the Conditions of Warranty of the MULTIPANEL Wet Area installation guide (which are in addition to and do not displace the MULTIPANEL Terms and Conditions of Sale). For a copy of these please contact MULTIPANEL on (03) 9787 2544 or info@multipanel.com.au
